Dear Parents:

If you want your son to have some fun, excitement, outdoor opportunities and a chance to participate in a program where he learns how to “*Do your Best!*” and be helpful to others, then we have just the program for you!

Cub Scouting is a home and neighborhood centered program designed to support and encourage quality family involvement for boys in the *first* through *fifth* grades. Each Cub Scout learns to respect his home, country and other people. The program also helps boys this age to:

- Learn new physical skills through sports, crafts and games.
- Learn how to get along with others through group activities.
- Develop personal independence.
- Learn to make value based decisions that assist them throughout their adult life.

Now is your chance to get him involved and signed up for Cub Scouting.

For additional information about how your son can join, please contact:

Todd Ketcham at cubmaster@cubscoutpack465.com,
